Pratika Chauhan

6395634627 | misspratikachauhan2421@gmail.com | [LinkedIn](#) | [GitHub](#) | **Delhi NCR.**

Education

Chandigarh University, Punjab (2023 –2025)
Masters of Science (Data Science)

Rajasthan University, Jaipur (2020-2023)
Bachelor of Computer Application

BSM School, Shamli (2020)
Class 12, CBSE, 62%

BSM School, Shamli (2018)
Class 10, CBSE, 68%

Technical Skills

- **Web Development:** HTML, CSS, JavaScript, .net(ASP.NET Core, MVC, Web API)
- **Data Analysis & Visualization:** Python, Pandas, NumPy, Matplotlib, Seaborn, Excel, Power BI
- **Database Management:** SQL
- **Data Engineering:** ETL Processes, Web Scraping, Exploratory Data Analysis (EDA)
- **Mathematics & Statistics:** Probability, Calculus, Linear Algebra, Statistics

Tools & Technologies:

- Power BI, Jupyter Notebook, Git/GitHub, Google Colab, Tensorflow, PyCharm, Visual Studio.

Experience

Junior Software Engineer Intern

Fulminous Software, Jaipur (Work From Office)
Feb 2025 – July 2025 (5 months)

- Built a **Job Portal Web Application** using **ASP.NET Core MVC**, C#, and SQL Server.
- Implemented features like user authentication, job listings, role-based dashboards (Admin, Recruiter, Job Seeker), and resume upload functionality.
- Collaborated in an Agile environment with code versioning using Git and UI enhancement via Bootstrap and Razor views.

AI Engineer Intern

NextGenAI Framework Pvt. Ltd., Remote
Oct 2024 – Dec 2024 (3 months)

- Worked on **Document Analysis using Large Language Models (LLMs)**.
- Implemented a pipeline for extracting structured information from unstructured documents using state-of-the-art NLP and transformer-based models.
- Gained hands-on experience with frameworks such as Hugging Face Transformers, LangChain, and Python-based data processing.

Achievements/Extra Co-curricular Activities/Position of Responsibility

1. Employability Skill Programme (21/10/2022- 30/10.2022) by **Mahindra Pride Classroom**

2. **Skill Academy :**- Data Science and Python Career Program (18/07/2022-18/05/2022)

3. **Coders Cave** :- Successfully Completed Data Science Internship Program(16/08/2023-18/09/2023).

4. **Bharat Intern** :- Successfully Completed Data Science Internship Program(10/08/2023-10/09/2023).

5. **CodSoft** :- Successfully Completed Data Science Internship Program(01/09/2023-30/09/2023).

6. **Oasis InfoByte** :- Successfully Complete Data Science Internship Program(06/09/2023-05/10/2023).

7. Successfully Completed **30-Days Micro Course of PowerBi** (25/10/2024-25/11/2024).

8. **NextGenAi Framework Pvt. Ltd.** – Successfully Completed AI/ML Engineering Internship Program (01/10/2024-01/01/2025).

9. **Fulminious Software –** Successfully Completed Junior Software Engineer Internship (Offline) (10/02/2025-10/06/2025).
